Laws And Regulations

of the Arkansas River Mining District adopted at a miners meeting held in Oro City Lake Co. Colo. Ter. On the 24th day of December AD 1865

First Whereas at a miners meeting held on the 10th day of December 1864 there was a Law past annulling all Laws relating to the working of California Gulch below 59 that we form a new district to be known as the Arkansas River District

Section 1st That the Eastern boundary of District shall be on the line between 59 and 60 or on the most westerly edge of Bruce & Dennys ground Sluice where they are now to work the western boundary the Arkansas River North and South the Summit of the Ridges

Section 2nd That 200 feet up and down the Gulch and from bank to bank shall constitute a claim

Section 3d That there shall be a Surveyor and Recorder elected

Section 4th That the District shall be surveyed commencing at the Eastern boundary of the District and the claims be numbered down the Gulch

Section 5th No Person Shall be Allowed to hold more than one Claim by Pre=emption

Section 6th Ladies Shall be Allowed to hold Claims by Preemption

Section 7th All Person holding Claims under the Old Organization Shall be allowed to hold the Same by representing Them In Person By filing Notice With the Recorder Within 30 days Provided that they do not hold more than 200 feet by Preemption

Section 8th All Claims Shall be represented by work by the first of June 1865

Section 9th All work done upon drain ditches Shall represent the Claims proposed to be drained the Same as if done upon the Claims

Section 10th Any Company holding Several Claims can represent the Same by working any part thereof

Over

Section
11th

Any Owners of Claims Shall have the Right of Way through adjoining Claims 10 feet in width at the Bottom of drain for Drainage

Section
12th

All owners of Claims running a drain through another persons claims and strike the bed rock Shall notify the Person whose claim on which he is to work to run Said Drain ditch if he refuses to commence to work on said drain within five days after being notified then the Parties running Said Drain may Continue it according to Section 11th

Section
13th

Any Parties working Claims Shall not run the water past Parties working them unless the fall of Gulch will not permit it otherwise and in that case they Shall equally divide the water with the party working immediately below them

Section
14th

Provided Always that the foregoing Laws Shall not be so construed as to interfere with the Flume known as the Sacramento And Hydraulic Fluming Co. Flume.

Section
15th

All Claim Owners Shall pay to the Surveyor or Stake driver fifty Cents for each claim Surveyed to be Paid to the Recorder of said District if said Sum of fifty Cents is not paid within 30 Days said Claim or Claims Shall be forfeited

Section
16

That the Recorder Shall receive fifty Cents for each Certificate And filing with Stamp Made out

Section
17th

That Rheuben Smithey Shall act As Surveyor And Geo Leonhardy As Recorder of said District

Geo Leonhardy
Recorder

Recorded March 17th AD 1865 At 11 O Clock A M.

W Londoner
Dep. Recorder

Art. 26

any man or company of men desiring to Tunnel the mountains shall be entitled to Two Hundred feet in width extending to the Summit of the mountains. And they shall have the Privilege to Locate their course. to suit themselves. Tunnels in all claims in this District shall be commenced within Seven days of the date of recording the same and shall be run at Least twenty five feet within one Month — After a Tunnel is run in any Tunneling claim one hundred feet. such claim shall hold as real estate

I hereby certify that the above Law is a true copy, as Recorded in book No one of the records of Arkansas Independent District on Page 27
